Re: Letter of Appreciation

To whom it may concern:

From time to time, I have felt compelled to write a letter like this. It seems in the business world today, good service is difficult to find. However, occasionally businesses like yours gain my respect and restore my confidence in the construction professionals of our world who really care about their clients and work hard on their behalf.

I want you to know that your staff has served our church well. When we required Quad Lock forms at our construction site your staff responded in a swift, professional and courteous manner. In addition to your great service we appreciate the generous donations made to our project. Please accept the enclosed tax receipts for your donation of goods to our charity.

I appreciate doing business with Quad Lock and I will be recommending your company to our associates and colleagues.

Please accept this letter with the spirit of gratitude in which it was written.

Sincerely,

Rev. Ken Russell
Senior Pastor
Chairman of the Board
